March Retreat

By

(Rosa Battle)

You pack your week-end bag, start up the highway as usual but, it really doesn't hit you where you are going until you get to the four (4) way stop at the Dairy Queen in Crestwood, Ky.

Your heart starts beating fast and you go "oh boy!"

It's that time again for fun, food and friends, some you haven't seen since the last retreat.

You know that you are going to have a good time enjoying all the different activities. Crafts, massage or a nice review with the doctors on questions and answers about cancer.

It's just nice to get away from everyday life even if it's just for a weekend, to relax and enjoy yourself doing nothing if you don't want to do anything.

I wish everyone in the whole wide world could come to our retreat just once. It's awesome.

Hope to see each and everyone of you in October 2008!

Thanks for all the participation in the skits for Saturday night.

We had all of Oz at our last retreat.

Dorothy and Toto, scarecrow,
the cowardly lion, tin man,
the wicked witch, munchkins
and the lollipop kids.

Why we even had the yellow brick road!

Are you still following it?

Trained professionals facilitate these meetings where you can meet new friends, share experiences, and express feelings.

Friends for Hope also offers two weekend retreats, one in the Spring and one in the Fall.

The relaxing, informative and fun-filled retreats are a time for those affected by cancer to enjoy fellowship
and support in a beautiful natural surrounding.
