## FUND - RAISING

Friends for Hope had it's first car show sponsored by Advance Auto Parts, 10211 Dixie Hwy on September 11, 2011 in the parking lot of the new Advance Auto Parts Store. It was a huge success!

As Maurice LeFevre stated —the coming together, working as a group and sharing the day was as important as the funds that were raised.

We had it all—food, music, door prizes, raffles, beautiful autos, great people, a lot of fun and fabulous weather! We could not have ordered a more wonderful day. We had a moment of silence followed by a circle of members and anyone there that wanted to participate with our song “I’m Alive.”

A huge thank you to Advance Auto Parts, Dale- the manager of the Dixie Hwy location and Rafael Sanoguel the District Leader for their support of our group. We would also like to thank all the donors listed, our members who volunteered to work the day of the show, Larry & Carol Hudson for getting things going, our music man—Jerry Amback, and of course all the auto owners who participated in the show. We appreciate you & your support and hope you had the great time we did.

We are looking forward to the next one and hope you can join us!
